# SHRINER CHILD SPONSOR FORM

*Having Fun & Helping Kids*

## **Please Help Me Take Care Of Some Special Children!**

Aside from wearing red fez's around town & driving our little car's in all the parades... Our local Shrine members have a few special projects that we perform throughout the year, that are just for our local children.

This is one of the biggest projects of the year. (With Very Little Time) - We already have special private Christmas events set up for local special needs and underprivileged children. With your help, these children will have a special visit from Santa Claus, Mrs. Claus & his Elves with gifts, games, crafts, activities, food, and entertainment. Please join us this year by sponsoring some of these special kids, giving them this unique Possibly Once In a Lifetime Joyful Holiday Experience. **We are Grateful for your help & we can't do this without you!**

This is one of the most important events and fundraiser that we do every year. This is a local project that only benefits our local El Zaribah Shrine Center. Please let me know if you need anything, or if you ever know of any children that we might be able to help, then don't ever hesitate to contact me.
