# SHRINER CHILD SPONSOR FORM

*Having Fun & Helping Kids*

## **Please Help Me Take Care Of Some Special Local Children!**

Aside from wearing red fez's around town & driving our little car's in all the parades... Our local Shrine members have a few special projects that we perform throughout the year, that are just for our local children. Every year, we band together to provide Magical Experiences for our local Children. We already have over 7,000 kids this year!

Please join us this year by sponsoring some of these special kids, giving them this unique Once In a Lifetime Joyful Experience. We are Grateful for your help & we can't do this without you! It is really hard to do this drive... It takes a monumental effort to get this done. Remember we work with thousands of local children and their families every year, without fail.

Our members do our best to take care of these special children & many community partners like you and me will hopefully also step up to help. We have more children than ever this year. We do this public drive to get as many of the remaining kids taken care of as possible, so the project is viable so we can provide a special experience for our local kids.

This is the most important event and fundraiser that we do every year. This is a local project that only benefits our local El Zaribah Shrine Center. Please let me know if you need anything, or if you ever know of any children that we might be able to help, then don't ever hesitate to contact me.
